PERSONAL SAFETY

Some areas of the Golf Course are situated in secluded areas and we are concerned about the safety of our Junior Members whilst playing golf. Please take into consideration the following:-

Please do not allow the junior to play the course unaccompanied. It is important that the junior knows what time they are being collected, where from and by whom. Please ensure that the junior has adequate public liability insurance. As a safety precaution we recommend that the junior has a mobile phone in their golf bag. Please note, that whilst on the course it must be turned off or muted, other than in the event of an emergency. It is stressed that the parents/legal guardians must accept responsibility for the prompt arrival of their charges.

UNDERSTANDINGS

I consent to him/her receiving essential medical treatment as necessary when prescribed by a qualified medical practitioner. I will confirm in writing to Camberley Heath Golf Club office immediately should there be any changes to the information on this form. I understand and accept the personal safety conditions as stated above. I also confirm that in the event that he/she contravenes Club Rules, they may be liable to the sanctions identified below.
