Surrey is at the pinnacle of junior golf in England. To keep it there we need to identify and develop our young talent.

The Surrey YIGs (Young Improvers Group) RookieTour was successfully launched in 2011 as an extension of the NikeGolf RookieTour. Its aim is to give young golfers who are not yet ready for the main RookieTour the opportunity to develop their golfing skills whilst playing & compete against others of a similar age and standard.

The YIGs Tour

- For under 13 Boys and Girls (age as of 31st December 2011)
- No handicap or membership of a golf club required
- No minimum age, if a player is good enough, their old enough!
 - Played over 9 holes on par3 courses
 - Rookie YIG 9 hole par3 handicap given to each player
- Once a YIGs has an official handicap of 36 or better at a golf club, then he / she will progress to the U12/U14 main NikeGolf RookieTour series of events

For some it's perhaps their first real chance at competitive golf outside of their Clubs. For others a chance to further develop their competitive skills against players of a similar age and standard. But the main objective is for the players have fun and enjoy their golf whilst building new friendships and developing their skills within their own peer group
